# Elizabeth Hodge to Speak on Medico-Legal Considerations

Presented by the Florida Health Information Management Association

July 15, 2014

10:00 AM - 11:00 AM UTC

Omni Orlando Resort at ChampionsGate  
1500 Masters Blvd.  
Orlando, FL

Elizabeth Hodge will present “Medico-Legal Considerations for the Legal Health Record in the Era of Cloud Technology & HIE’s” at The Florida Health Information Management Association (FHIMA) 2014 Annual Convention. Betsy’s session will teach participants how to preserve legal health records despite the challenges posed by cloud computing and health information exchanges (HIE’s). This conference is intended for Health Information Management (HIM) professionals representing HIM management, Privacy and Security Officers, as well as IT, coding, and transcription professionals in all health care settings.
