” Iran has a solid practice in the space.

- *Chambers USA*

Irán Hopkins is a partner in Akerman LLP’s Real Estate Practice Group, where she focuses on complex transactions, structuring tax efficient ownership and operations, and regulatory compliance for clients across a range of industries, including real estate private equity, healthcare leasing, hospitality, professional sports, public-private partnerships, IP licensing and franchising, storage for hire, digital records management, commercial agriculture, and climate controlled facilities and services.

Irán began her career in International Corporate Tax at KPMG and has substantial experience advising upon renewable energy incentives and business tax credits, California energy efficiency standards and financing programs, qualified opportunity zones, new markets tax credit structures, and Section 280E.

Irán regularly advises clients on business succession planning, estate, gift, and trust tax planning and compliance, trust transactions, and California property tax.

Ranked by *Chambers USA* and *The National Law Journal* as a go-to resource in California and throughout the United States for the cannabis industry, Irán advises clients on California cannabis regulatory compliance. She serves on Akerman’s national cannabis team, working with landlords, tenants, lenders, operators, investors, and other stakeholders in the cannabis industry, advising on cannabis land use permits, business licensing and operations, getting products to market, and regulatory compliance on a state and local level. She has been ranked by *Chambers USA* for Cannabis Law
