Andrew Smulian Discusses Law Firm Office Trends in *Law.com*, *The Real Deal*

May 9, 2018

Chairman Emeritus [Andrew Smulian](#) was quoted in a *Law.com-Daily Business Review* article titled, “The Evolving South Florida Law Firm Office: Smaller Spaces, Multipurpose Rooms,” discussing how Akerman’s Miami office reflects the firm’s commitment to embrace disruption and experimentation to advance the work of clients. Located at Three Brickell City Centre, the firm’s dynamic workspace introduces a relatively new concept to the Miami legal market. Collaborative, shared workspaces and equal-sized offices are trending among firms of size and distinction in financial gateway cities like London and New York, a framework Akerman has adopted in Miami. Coverage of Smulian’s insights and Akerman’s Miami office also appeared in *The Real Deal South Florida*.
