The Art of the EB-5 Real Estate Transaction

Presented by the Akerman Real Estate Practice Group

May 7, 2014

11:30 AM – 1:30 PM UTC

Akerman LLP

750 Ninth Street, N.W.

Washington, D.C.

Akerman, in conjunction with Citi Community Capital, will host a discussion exploring the EB-5 Immigrant Investor Program and its practical implications based upon real world experiences from active participants in this marketplace. The EB-5 program has become an important tool for development. We will explore the ways in which EB-5 financing has become mainstream, as well as the rise of financing of real estate transactions and new commercial enterprises through the EB-5 program.
