

Speaking Engagements

Robert Slavkin to Speak on Data Security in Cross Border Transactions

September 7, 2018

Arthur Cox, Lex Mundi Member Firm for Ireland
Ten Earlsfort Terrace
Dublin, Ireland

Rob Slavkin will be a featured panelist at the 2018 Lex Mundi Health Care and Life Sciences Industry Group Global Meeting. The panel's topic, "Data Security in Cross Border Transactions," will discuss best practices, the impact of data breaches on transactions, risk management, and the learning curve created by both HIPAA and GDPR. Akerman is the exclusive Florida law firm for Lex Mundi, the world's leading association of independent law firms.
