Jonathan Robbins Quoted in *Law360* on How BigLaw Finally Learned to Try Pot

December 19, 2016

Cannabis Practice Chair Jonathan Robbins was quoted in a *Law360* report titled, “Smoke Point: How BigLaw Finally Learned to Try Pot,” on the easy decision to embrace cannabis early. Akerman was among the first national law firms to serve the legal medical marijuana industry. Robbins said “It’s already a multibillion-dollar market and it’s only going to continue to grow. I think there’s going to be plenty of room for other players, but will we have an advantage by getting there first.”
