

A large, semi-transparent globe is centered in the image. It is overlaid with various financial data visualizations, including a line graph showing an upward trend and several tables of numbers. The background is a blurred image of financial documents with columns of text and numbers.

Akerman PERSpectives on U.S. Middle Market Private Equity

Report

The Akerman PERSpectives Report tracks the often underreported yet significant activity of sub-\$1 billion PE buyout funds. One of the few studies available on this market, the report provides leading perspectives to investors, companies and advisors on market trends and regulatory updates that may impact how they can establish efficient and flexible processes to close successful transactions. Data produced in collaboration with *PitchBook*.
