# Akerman Recognized Once Again for Dominant Real Estate Strengths in South Florida

June 22, 2018

Akerman was recognized for its dominant strengths and reach across South Florida's real estate sector in *The Real Deal's* 2018 list of the region's top real estate law firms by lawyer headcount. As part of its annual ranking, the publication also highlighted Akerman's involvement in transformative projects, including marquee developments in downtown Miami, Brickell City Centre, Miami Design District and Wynwood, among others in South Florida.
