Presented by Sandpiper Partners LLC

April 9, 2015
9:00 AM – 4:00 PM UTC

HSBC Conference Center
452 Fifth Avenue
New York, NY

Akerman Chairman and CEO Andrew Smulian will speak at an upcoming conference titled “Delivery of Legal Services: Disruption, Eruption or Interruption,” by Sandpiper Partners LLC. Designed for law firm executives, the event includes a cross-selection of leaders reshaping the legal landscape. The panelists will address changing business models and the latest innovations in legal services. Smulian will discuss Akerman’s framework for innovation and how the firm delivers value to clients in even more meaningful ways. He will also present Akerman’s unique R&D Council and how similar in-house R&D structures can lead to breakthrough business solutions with clients.
