Martin Dix to Speak on Pharmacy Compounding

Presented by West LegalEdcenter

March 13, 2014

12:00 PM – 1:00 PM UTC

Martin Dix's webinar titled, “Compounding Pharmacies: Hashing Out the New Laws,” will review the regulation of pharmacy compounding leading up to the New England Compounding Center disaster and the state and federal responses to it. Topics covered will include office use compounding, state pharmacy laws adopting USP 797 and selected USP 797 issues, increased enforcement by state pharmacy boards of USP 797 standards, and the federal Drug Quality and Security Act.
