Spencer Crowley Profiled in *Daily Business Review*

September 18, 2018

Spencer Crowley was featured in *Daily Business Review's* "Profiles in Law" series, which highlighted his award-winning land use practice and his ongoing efforts to balance development and sustainability in Florida. The article connects Spencer's lifelong passion for the outdoors with his work advising clients on the land use aspects of transformative developments such as Midtown Miami, Brickell City Centre, Miami Design District, and Babcock Ranch. Wrote the *Daily Business Review*, "[Crowley has] bridged the seemingly contradictory prospect of working on urban development as well as environmental conservation without compromising either the environment or his own deep held beliefs about how to sustain it."
