Dan Jacobson advises private equity funds and mid-size public and private entities, family offices and high net worth individuals with respect to their material or non-routine business transactions including mergers and acquisitions and debt and equity financings and investments. His practice is both U.S.-based and international with extensive experience representing clients with their subsidiaries' and affiliates' transactions in Latin America, Asia and India. His work has been recognized by *The Best Lawyers in America*, which named him its "Lawyer of the Year" for Venture Capital Law in Miami, as well as by *Florida Trend's* Legal Elite.

Dan's practice encompasses public and private debt and equity offerings; commercial lending transactions; M&A; regulatory compliance; partnership structure, management and exit strategies; special purpose entity organization; licensing of intellectual property and proprietary rights; manufacturing and distribution, particularly in the medical device and pharma industries; corporate governance and corporate organizational matters.

Dan's experience covers multiple industry sectors, though Dan has significant experience with companies in the healthcare industry with a focus on diagnostic imaging and radiology services, physician practice acquisitions, and contract manufacturing and distribution in the medical device and pharma areas.
