

Speaking Engagements

Christopher Duke to Speak on Cyber Security

Presented by Florida Allergy, Asthma & Immunology Society

July 12, 2013 to July 14, 2013

JW Marriott Orlando Grande Lakes
4040 Central Florida Parkway
Orlando, FL

Christopher Duke will speak on “Cyber Security in the Information Age – Protecting Your Practice’s Confidential Information in the Electronic Age” at the Florida Allergy, Asthma & Immunology Society annual meeting. The presentation will identify key issues that physician employers and others in the medical field should address to safeguard and protect confidential information. Physicians, clinical personnel, and front office personnel will be in attendance at this medical industry event.
