Are You Insecure About Cybersecurity?

Presented by Akerman's Data Law Practice

November 17, 2015

4:00 PM – 6:00 PM UTC

Akerman LLP

One Southeast Third Avenue

25th Floor

Miami, FL

Akerman's Data Law Practice is pleased to present an important cybersecurity seminar that will feature data security and privacy experts from both the public and private sectors.

As recent headlines confirm, what you don't know about cybersecurity can and (likely) will hurt you. The consequences of a data breach can be devastating to an organization. Knowing how to minimize the likelihood and impact of a data breach is more critical now than ever before.

Discussion Topics Include:

- The Cyber Threat Landscape: What You Don't Know Can Hurt You
- Compliance and Preparedness: Best Practices for Minimizing the Likelihood and Severity of a Data Security Incident
- Into the Breach: Responding to and Remediating a Data Security Incident
