How to Prevent, Detect, and Deal with Cyber Security Breaches

Presented by Akerman's Labor & Employment Practice Group

October 14, 2015
8:30 AM - 10:15 AM UTC

Akerman LLP
666 Fifth Avenue, 20th Floor
(entrances on 52nd and 53rd Streets)
New York, NY

Matthew Steinberg and Darren Traub will present a breakfast seminar entitled, "How to Prevent, Detect, and Deal with Cyber Security Breaches." This focused roundtable discussion will not be your typical cyber session, but a thoughtful dialogue on what employers need to know about cyber security and how, from an employment law and human resources perspective, employers can best prepare for the inevitable.
