Spanish-Speaking Broadcast Media Seeks Pedro Freyre's Analysis of Cuba's Mobile Internet Expansion

December 6, 2018

CNN en Español and *Univision 23* conducted on-camera interviews with Pedro A. Freyre about the significance of Cuba's mobile internet expansion across the nation. Freyre, chair of the firm's international practice, and an internationally recognized expert on U.S.-Cuba policy, elaborated on the financial implications that the development may have on Cuba's residents.

CNN en Español: "El internet móvil llega a Cuba, pero ¿qué dice la letra chica?"

Univision 23: "Desde este jueves, los cubanos podrán acceder por primera vez al servicio 3G para celulares" and "¿Qué repercusiones traerá en Cuba el uso del servicio de internet en celulares?"
