Pedro Freyre to Speak on President Obama's Visit to Cuba

Presented by Florida International University and the Latin American and Caribbean Center

March 25, 2016
3:00 PM UTC

Florida International University
Modesto A. Maidique campus
11200 Southwest 8th Street
Miami, FL

Pedro Freyre will speak on a panel presented by Florida International University (FIU) and the Latin American and Caribbean Center. The panel will address President Obama's recent historic visit to Cuba, and will include experts and advocates on both sides of the issue who will discuss the implications of the visit, what it means for the future of U.S.-Cuba relations, and how it may affect the daily lives of ordinary Cuban citizens.
