Business Insider Includes Jonathan Robbins in “Top Lawyers Working on Some of the Biggest Deals in the Booming Marijuana Industry” Profile

January 11, 2019

Jonathan Robbins, leader of Akerman’s Cannabis Practice, was named among the *Business Insiders’* “top lawyers” in the cannabis business. He counsels clients on the evolving, complex legal and business issues impacting companies with interests in the regulated substances industries.

The publication profiled some of Robbins cases. “In the past year, Robbins has helped Green Growth Bands, and Ohio marijuana retailer, acquire valuable grow facilities in Nevada and helped Surterra Wellness, a marijuana company backed by the Wrigley family, make strategic acquisitions in the Sunshine State.”
