# Philip Sprinkle to Speak on Handling Billing Errors and Overpayments

Presented by Akerman

February 15, 2019  
12:00 PM – 1:00 PM ET

Webinar

Phillip Sprinkle will speak on an webinar titled, “How to Handle Billing Errors and Overpayments: From Practical Solutions, Risks, and Differences Between the Formal OIG and CMS Self-Disclosure Processes.” The Akerman hosted webinar is designed for healthcare providers and will share best practices on investigating and remedying billing errors and overpayments. Topics to be addressed include billing errors and issues that can be resolved practically and inexpensively, how to staff and investigate billing errors, when and how to report, and, lastly, the formal reporting options and the respective costs and benefits of each.
