# Logging In...Logging Off: Key Strategies and Takeaways for a Successful Exit

Presented by AkermanIN and ACG South Florida

October 29, 2015

5:30 PM - 8:00 PM UTC

The LAB Miami

400 Northwest 26th Street

Miami, FL

AkermanIN and ACG South Florida present “Logging In...Logging Off: Key Strategies and Takeaways for a Successful Exit.” The event includes a panel discussion on key strategies for a successful exit and key insight into avoiding missteps that can cost companies and investors time, money, and headaches when preparing for and completing an exit. The panelists will consist of seasoned professionals from the private equity, venture capital, and legal industries who regularly guide the process and have played an important role in successful exits, as well as entrepreneurs and experienced businessmen who have first-hand experience with their own successful exits.
