

Speaking Engagements

Richard Spees to Speak on Nuclear Waste Strategy

Presented by the Nuclear Waste Strategy Coalition

November 12, 2013 to November 13, 2013

Nuclear Energy Institute
1201 F Street, NW
Washington, D.C.

Richard Spees, Government Affairs & Public Policy Practice Group Chair, will speak at the Fall 2013 Nuclear Waste Strategy Coalition meeting and will present “Charting a Path Forward Without a Map.” Rick will speak about the U.S. Nuclear Program and current waste issues, perspectives on waste program reform, and the future of strategic planning in the industry.
