8:30 AM - 10:00 AM UTC

Akerman LLP
One Southeast Third Avenue
Miami, FL

Akerman and LCR Capital Partners will host a discussion exploring the EB-5 Immigrant Investor Program and how foreign investors may benefit from the program based upon real world experiences from active participants in this marketplace. The EB-5 Program has become increasingly attractive to foreign investors from around the world and more recently to investors from Latin America. We will discuss the main aspects of the EB-5 program and talk about the importance of immigration and tax pre-relocation planning directed to foreign investors, their advisors and consultants.
