Richard Bezold Honored with Inaugural University of Florida Lifetime Service Award

March 19, 2019

Richard Bezold was honored by the University of Florida Bergstrom Real Estate Center with its first-ever Edgar Jones, Jr. Lifetime Service Award. He was presented with the award during the Bergstrom Real Estate Center's annual Trends & Strategies Conference at the Waldorf Astoria Orlando on March 15.

“It was quite a surprise and honor to be awarded the lifetime achievement service award, especially in light of the fact that the award is named after Edgar Jones who has contributed so much to the University,” Bezold said. “I hope that my work with the University has been meaningful to the Center and the students and will continue to be so in the future.”
