Eduardo Espinosa to Speak on the New Lease Accounting Standard

March 27, 2019

8:00 AM – 10:00 AM CT

Park City Club

5956 Sherry Lane #1700

Dallas, TX

Akerman is proud to co-present a seminar and panel discussion on the Impact of the New Lease Accounting Standard. Eduardo Espinosa will participate in a panel titled, “ASC 842’s Ripple Effects on Your Organization.” This panel will feature lease accounting experts who will explain the changes and lay out steps companies should be taking for adoption and to ease operational complexity going forward.

Panelists will also:

- Review key differences of the new lease accounting standard – ASC 842
- Provide examples of how the new standard will impact lessees
- Discuss impacts on the monthly accounting close process
- Discuss actionable steps companies should be taking in preparation for adoption, including considering lease software solutions
