Akerman is a sponsor of the 2014 Anti-Defamation League (ADL) Miami Jurisprudence Award Luncheon. This annual event, co-chaired by [Richard Milstein](#), will host nearly 500 leaders from Miami's corporate, legal, financial, and diplomatic communities to honor this year's award recipients. The Jurisprudence Award was established to recognize individuals who have made an outstanding contribution to the legal profession and to the community at large, while exemplifying the principles upon which ADL was founded.
