# Richard Bass to Lead A Walk Along the Jersey City Waterfront

Presented by Jane's Walk

May 6, 2017

10:00 AM – 1:00 PM UTC

Exchange Place PATH Station

Richard Bass will lead a walk along the Jersey City waterfront to explore how this area has evolved over time to become what it is today. Richard will also discuss waterfront landmarks such as the Colgate Development, Exchange Place, and the 17th century Dutch neighborhood Paulus Hook. The route will begin at the Exchange Place PATH Station, and end at the Newport PATH Station. As the former director of planning for the City of Jersey City, Richard brings unique knowledge to this program.
