Akerman has organized a community fundraiser with the St. Baldrick's Foundation, the world's largest volunteer-driven fundraising entity for childhood cancer research. Ten inspired attorneys will shave their heads in solidarity with child cancer patients in an effort to gather the local community to participate and raise \$50,000 for the cause.

For those who wish to contribute, a donation of any size can be made by visiting the team's [page](#) or in person during the event.
