# Scott Kessler to Speak on E-Discovery for the Corporate Market

Presented by Today's General Counsel Magazine and Institute

July 16, 2014 to July 17, 2014

Affinia Manhattan  
371 7th Avenue  
New York, NY

Scott Kessler will present two sessions at E-Discovery for the Corporate Market Conferences: "The Exchange," sponsored by *Today's General Counsel Magazine* and Institute. Scott's first session, "Meeting the Continuing Challenge of Litigation Holds and Preservation" will discuss proposed rule changes and email preservation. His second session, "E-Discovery Damage Control" will discuss the steps to take when something goes wrong and insurance issues. This program is intended for in-house counsel, law firm attorneys, CEOs, CFOs, CTOs and litigation support managers or leaders of information management and e-Discovery teams.
