Elizabeth Hodge to Speak on Interoperability Proposed Rules

June 13, 2019 to June 14, 2019

Casa Monica Resort & Spa
95 Cordova Street
St. Augustine, FL

Elizabeth Hodge will speak on a panel titled, “Interoperability Proposed Rules,” at the 16th Annual Health Care Corporate Compliance Education Retreat presented by the Florida Hospital Association (FHA). The program is designed to provide healthcare compliance professionals and their legal advisors the knowledge and tools needed to maintain compliance programs, as well as enable response to emerging regulatory developments. The event is geared towards healthcare corporate compliance officers, privacy and security officers, healthcare attorneys, and other professionals who work with compliance issues on a daily basis.
