

A wide-angle photograph of a city skyline at sunset. The sky is a mix of orange, yellow, and blue. Numerous skyscrapers are visible, with some reflecting the warm light of the setting sun. The city appears to be New York City, with Central Park visible in the distance.

2019 Akerman U.S. Real Estate Sector Report

Report

June 11, 2019

The Akerman U.S. Real Estate Sector Report provides insights on the economic conditions affecting the U.S. commercial real estate market.

Akerman clients and other top real estate executives across the United States contributed to this Report through one-on-one interviews as part of an annual Akerman Survey. For a decade, the Akerman Survey has captured these perspectives to provide a view from the C-suite, highlighting the complexity of key market conditions including capital availability, investor trends, and drivers of growth.
