Above the Law Highlights Akerman Among Top 4 U.S. Law Firm for Women

July 12, 2019

Above the Law applauded Akerman as a firm that is paving the way to more equitable profession, based on the demographics of its lawyer workforce. The publication noted *Law360's* 2019 Glass Ceiling Report, which ranked Akerman among the top four law firm for women in the Biglaw (600+ lawyers) category, and among the top 25 law firms in the United States overall, based on the percentage of female nonpartners and female partners at the firm.
