Daily Report, Law360 Feature Akerman's Strategic Growth in Atlanta

August 1, 2019

The *Daily Report* featured Akerman's growth in Atlanta, following the hiring of partners [Sul Kim](#), [Erica Mason](#), [Anthony Morris](#), and Peter Spanos. Their arrival increases the office's headcount to 11 lawyers since opening in September 2018.

The publication noted, "Akerman has hired a number of established Atlanta lawyers so far."

Akerman Managing Partner [Scott Meyers](#) elaborated, "We're very particular in how we curate and cultivate the people we want to represent us in the market. We want people who are genuinely great to work with, who care about their clients and the firm and who give back to the community through pro bono or in other ways."
