Richard Pinsky Appointed to Serve on South Florida Water Management District's Water Resource Advisory Committee

November 13, 2019

Richard Pinsky has been appointed to serve on South Florida Water Management District's Water Resource Advisory Committee. The South Florida Water Management District is a regional governmental agency that manages the water resources in the southern half of the state, covering 16 counties from Orlando to the Florida Keys, and serves a population of 8.7 million residents. It is the oldest and largest of the state's five water management districts.

With 35 years of government affairs experience, Pinsky represents clients before the legislature as well as local government, helping them understand the complexities of public policy decision-making.
