Stephen Glazier's Analysis Among *Law360*'s 10 Most-Read IP Articles of 2019

December 23, 2019

Stephen Glazier's article titled, "Illustrating The New USPTO Guidance With A Flowchart," was among *Law360*'s most-read intellectual property guest articles of the year. In the piece, Glazier analyzed the U.S. Patent and Trademark Office's revised eligibility guidance, released in January 2019. In particular, Glazier illustrated the guidance, which "simplifies and makes more predictable the case law concepts of 'an abstract idea' and of a claim 'directed to' an abstract idea."
