Akerman's M&A and Private Equity Practice Group is pleased to present the New York Private Equity Boot Camp series. Please join us for an insightful discussion featuring Akerman's nationally recognized M&A and Private Equity partners. This complimentary program, which covers a variety of topics throughout the year for entry and mid-level private equity professionals, is geared towards enhancing the understanding of practical legal considerations for getting private equity deals done while effectively managing risk. During the program, registrants will sharpen their skills in anticipating and overcoming potential issues, ultimately improving relationships with management teams and enhancing efficiency by reducing advisors' and principals' time and cost.
