Eric Goldberg to Speak on The Future of Mobile Wallets

February 6, 2020

5:30 PM – 8:00 PM ET

K&L Gates LLP
599 Lexington Avenue
New York, NY

Eric Goldberg will participate on a panel titled, “The Future of Mobile Wallets: PayPal vs. CFPB,” hosted by K&L Gates. During the discussion, the panelists will define CFPB’s “prepaid account” and the misleading name of why the “Prepaid Rule” is exacerbated by the fact that the rule itself consists of more than 2,000 pages of dense regulations that are difficult to digest.

Topics will include:

- The merits of PayPal’s lawsuit challenging the CFPB’s Prepaid Rule;
- Are digital wallets fundamentally different from GPR cards?
- How the Prepaid Rule has shaped the payments market?
- How the Supreme Court and the 2020 elections may impact the CFPB?
- Should there be one law or rule for all payments products or should the CFPB just regulate product
