Akerman Hosts Webinar on Planning for and Handling an OSHA Complaint and Investigation

March 10, 2020

12:00 PM – 1:00 PM ET

Webinar

Akerman will host a webinar on how employers should plan for and handle an OSHA complaint and investigation. Jessica Travers and Sul Kim, partners in the Labor and Employment Practice Group, will discuss the strategies you need to confidently navigate an OSHA inspection.

Discussion Topics:

- What is OSHA's authority to conduct an inspection and what are its priorities?
- What triggers an inspection?
- What can you do to be inspection-ready at all times?
- What is the inspection process?
- What are employer's rights during an OSHA inspection?
- How to handle tough questions from OSHA during and after the inspection
- How to respond to document and interview requests
- Best practices for mitigating the risk of costly citations and penalties
