Media Report on the Akerman Return to Work Resource Guide for Employers

June 2, 2020

Multiple trade and legal media publications reported on the launch of the Akerman Return to Work Resource Guide, a library of key reference materials and procedures that provide employers with best practices in facilitating a safe and orderly transition to normal operations. The Resource Guide helps employers reintegrate their employees into the workplace and implement new policies and protocols set forth by federal, state, and local authorities.

Beth Alcalde, a leader on the Akerman Return to Work team, told *Legal Tech News*, “In recent weeks, what we have anticipated is the need for all clients are probably struggling with a lot of the same challenges, strategically, operationally, and legally for planning to reopen.”
