

Speaking Engagements

Robert Slavkin to Speak on Data Privacy and Security, On-site Clinics, and Return to Work Issues

June 2, 2020

9:00 AM – 10:00 AM ET

Webinar

Robert Slavkin, chair of Akerman's Healthcare Practice Group, will speak at Lex Mundi's Healthcare & Life Sciences Industry Group Virtual Meeting regarding issues relative to COVID-19, focusing on data privacy and security, on-site clinics and return to work measures. Hosted by the Lex Mundi Healthcare and Life Science leadership team, the virtual meeting will bring together healthcare and life sciences attorneys from across the globe to share industry insights from their jurisdictions in the current environment and predictions for the coming months.
