# Brian Nugent and Marissa Alguire to Speak on Return to Work Risk Management and Workers' Compensation COVID-19 Claims

June 10, 2020 2:00 PM ET

Webinar

Brian Nugent and Marissa Alguire will speak on a webinar titled, "Risk Management - Return to Work: Workers' Compensation COVID-19 Claims," presented by the The National Association of Professional Employer Organizations (NAPEO). The panel will tackle the redifinition of first responder and conclusive and/or rebuttable presumption directives in the face of uncertainty, and discuss how law offices are gearing up to "educate" potential claimants in anticipation of an influx of COVID-19 claims.

NAPEO provides workforce solutions for businesses looking to grow and thrive, advocates for the interests of PEOs at all levels of government, and provides robust member resources, vital networking and referrals, relevant and timely education, and effective public relations and marketing support.
