# *Law360* Reports on Amicus Brief Filed in Florida Supreme Court in Support of Akerman Florigrown Case

September 11, 2020

*Law360* reported on an amicus brief, filed by Triangle Capital Inc. in Florida's Supreme Court in support of Florigrown. Akerman is set to deliver a second round of arguments on behalf of Florigrown in October in *Florida Department of Health Office of Medical Marijuana Use et al. v. Florigrown LLC et al.* Triangle Capital said in its filing that every license for a medical marijuana treatment center, or MMTC, that has been awarded by the Florida Department of Health has "been a grant of a special privilege" to a select few corporations, in violation of a 2016 voter-approved constitutional amendment legalizing medical marijuana. Akerman's upcoming arguments will focus on the constitutionality of Florida's law governing its licensing system for MMTCs.
