# Richard Pinsky Quoted in *Law360* Article on New Florida COVID-19 Legislation

January 7, 2021

Richard Pinsky spoke to *Law360* about new bills brought forth by the Florida Legislature intended to protect businesses from potentially frivolous lawsuits related to COVID-19. “For sure, how nursing homes will be treated will be a controversy,” Pinsky said. “Retroactivity and raising the standard from negligence to gross negligence will be two more points of controversy.”
