Ginny Childs Quoted in *Orlando Business Journal* Article On Pandemic Challenges to the Legal Industry

January 19, 2021

Ginny Childs, Orlando Managing Partner, spoke to the *Orlando Business Journal* for an article about changes in the legal industry since the start of the Covid-19 pandemic. She discussed how Akerman tackled the challenges the situation presented to clients by creating a Coronavirus Task Force and Return to Work Resource Guide.

“In the early days of the pandemic, Akerman formed a Coronavirus Task Force, an industry-focused team prepared to manage the unprecedented and newly emergent challenges Covid-19 poses to businesses, workforces, and supply chains, as well as potential losses and liability, and litigation and transactions across a variety of sectors,” Childs said.
