Eric Goldberg to Speak on FinTech & Emerging Payment Systems

May 18, 2021

1:00 PM ET

Virtual Conference

Eric Goldberg will be a co-chair of the American Conference Institute's (ACI) 5th Annual Legal, Regulatory and Compliance Forum titled, FinTech and Emerging Payments Systems. Eric's panel presentation, "A Government-Industry Collaboration: Sandbox Partnerships, Providing PPP Loans, and Distribution of EIP: How Closer Cooperation Between the Fintech Industry and Government Agencies Could Help Consumers," will cover how the government and the FinTech and emerging payments industry might collaborate better on getting stimulus payments to businesses and consumers quickly and securely, what legal hurdles exist and how to overcome them, and how FinTechs can approach bank charters, lending licenses, bank partnerships and their various underlying legal structures and challenges as they evaluate how to engage with the U.S. government.

Attendees will gain insights, proven strategies, and best practices necessary to navigate the legal, compliance and technical hurdles arising within today's payments industry.
