Akerman Continues to be Ranked Among the *National Law Journal's* Top 100 U.S. Law Firms

July 8, 2021

Akerman LLP continues to be recognized among the largest law firms in the United States. The firm ranked 76th on the *National Law Journal's* "NLJ 500" list, based on the number of lawyers firm-wide.

The NLJ 500 list is determined through a research survey process that analyses the number of associates, non-equity partners, and equity partners at firms across the country. Over 900 law firms were surveyed to determine the 500 largest U.S.-centric firms for the 2021 list.

This year, Akerman also advanced its strong positioning in *The American Lawyer's* 2021 "Am Law 100" list, an annual ranking of the top-grossing law firms. The firm jumped two spots from last year, ranking 86 among the top 100 U.S. law firms. Akerman's new ranking is consistent with its record revenue growth for 10 consecutive years.
