Akerman Hosts Austin Client and Community Event

August 5, 2021

6:00 PM – 8:00 PM CT

Higher Ground
720 Congress Avenue
Austin, TX

Akerman's Austin office will be hosting a festive evening at one of Austin's newest hotspots with cocktails, tasty bites, and live music. This event will feature a local Austin musician, Scott Strickland, and will be holding a silent auction for Run for the Water, a race benefiting the Gazelle Foundation.

The Gazelle Foundation is made possible by the efforts of many. It has grown to include an active board of directors, advisory council, dedicated sponsors, partners and hundreds of volunteers, working together towards its mission to provide clean drinking water to the people that need it most, transforming thousands of lives in Burundi each year.
