Akerman Represents Ondas Holdings in Strategic Acquisition of American Robotics

August 16, 2021

Akerman LLP, a top 100 U.S. law firm, represented Ondas Holdings in its strategic acquisition of American Robotics Inc, a leading developer of highly automated commercial drone systems and the first company approved by the FAA to operate its drones beyond-visual-line-of-sight (“BVLOS”) without a human operator on-site. The combination of the two companies will enable Ondas Networks and American Robotics to provide users in rail, agriculture, utilities and critical infrastructure markets with improved connectivity and data collection capabilities.

The Akerman team representing Ondas was led by Capital Markets Practice Co-Chair [Christina Russo](#), and M&A and Private Equity Practice Co-Chair [Martin Burkett](#).

Akerman LLP served as legal counsel for Ondas, and Hogan Lovells acted as legal counsel for American Robotics. This acquisition will enable American Robotics to access Ondas’ industrial customers and worldwide distribution partners.
